

How the Bingo Challenge Works

- Complete the tasks in each box to get your first bingo (across, down or diagonal) in a row. For each bingo you can choose one prize and enter for a chance to win one of three bigger prizes drawn each week.
- The more bingos you complete, the more prizes you can collect and the more chances you have in the weekly drawings.
- The weekly drawings for the special prizes will be held on Saturdays by 10:00 a.m. Winners will be telephoned. Blackout prizes will be drawn at the end of summer reading.
- All bingos & blackouts must be turned in by **July 30th @ 2:00 pm** to be eligible for the final drawing.
