How the Bingo Challenge Works

- Complete the tasks in each box to get your first bingo (across, down or diagonal). For each bingo you can choose one prize and enter for a chance to win one of three bigger prizes.
- The more bingos you complete, the more prizes you can collect and the more chances you have in the weekly drawings.
- You are allowed 3 bingos, then you must blackout the entire bingo card (do all the remaining boxes). After that, you may get another bingo card and start fresh to earn more prizes!
- The weekly drawings for the special prizes will be held on Fridays by 5:30 pm, winners will be telephoned.
- All bingos must be shown to librarian by 5:30 pm, **Tuesday, July 31, 2017** to be eligible for prizes.

Free events every Thursday in June!
