REGISTRATION DEADLINE: July 13, 2019. Registration will close earlier if all positions are filled, so please sign up right away.

## GUIDELINES:

1. Work MUST be hand-crafted.
2. No food items. No items under \$1.00. Even dollar amounts make accounting easier.
3. **Setup will be Thursday, July 18 from 12:30 – 2:00. Turn in your inventory list before you set up. Make yourself a copy first if you will need it to reconcile your records after the fair.**
4. Provide a stamped, self-addressed, business size envelope for your check and inventory of sold items to be mailed to you. If you don't have or forget the envelope you can purchase it at setup for \$1.00
5. You must provide your own display materials, including table cover and peg board for upright space if needed.
6. Each item must be tagged. The tag should have the initials you entered on the application, a unique\* number within your inventory, and the price, preferably in that sequence. Please make sure the tag is legible, securely attached and corresponds to the inventory list. Example: AAA 001 \$10. We cannot be responsible for incorrectly tagged items. \*We know that for some of you the request to tag each of your items with a unique code is time and labor intensive. If you prefer to make all of your items a single code or each category of items a single code, you may do so. Keep in mind the downside. Without single item coding (1) it will not be as easy for you to evaluate which items sold well or not so well and (2) we cannot track what happened to any individual item which we sometimes do for missing items after the sale.
7. The inventory list may be provided on the attached form, copies of the attached form, and/or a typed or computer printed list in the same format as the attached form. List each item separately. Artist initials do not need to be entered on each line of the inventory.
8. Your inventory list should correspond exactly to the items you bring to this fair. You may bring additional items during the fair as long as you provide an inventory list with the new items. Your help with this will make the after fair reconciliation easier and faster.

EACH ARTIST/CRAFTER IS ASKED TO WORK ONE SHIFT. If the shift is worked, 23% of sales go the Friends of West Custer County Library. If you cannot work a shift, 33% of sales go to the Friends. You will be helping with packaging sales, greeting customers, answering customer questions during the Fair. Or you may choose to demonstrate making your art/craft.

ALL ARTISTS/CRAFTERS MUST ATTEND BREAKDOWN on Saturday at 5:00 PM.
