A program is any planned event which introduces the group attending to any of the broad range of library services or activities or which directly provides information to participants. Programs may cover use of the library, library services, or library tours. Programs may also provide cultural, recreational, or educational information, often designed to meet a specific social need. Examples of these types of programs include film showings; lectures; story hours; literacy, English as a second language, and citizenship classes; and book discussions. Count all programs, whether held on- or off-site, that are sponsored or co-sponsored by the library. Exclude programs sponsored by other groups that use library facilities. If programs are offered as a series, count each program in the series. For example, a film series offered once a week for eight weeks should be counted as eight programs. Note: Exclude library activities delivered on a one-to-one basis, rather than a group, such as one-to-one literacy tutoring, services to homebound, résumé writing assistance, homework assistance, and mentoring activities.

Feedback #13.1

Survey deadline: March 15, 2014

Your feedback is vital to the continued improvement of the Public Library Annual Report. Please provide any feedback you like, including which items were difficult, which items took a long time to fill in, what was helpful, and so on.

For further comments and questions, contact Nicolle Steffen, 303-866-6927, steffen_n@cde.state.co.us.

13.1 Feedback: We are a small, rural library, so we do have story time outreach, but only once a month. The form only allows for weekly reporting, so I really couldn't enter our data of 1 story time outreach per month with an average of 30 attendees.

Outlet Data #14.1-14.22

Survey deadline: March 15, 2014

Many of the fields in this section cannot be altered. Changes cannot be made here to items 14.1 - 14.11 & 14.16 - 14.21. If changes need to be made to these items, including adding or deleting outlets, please contact Nicolle Steffen at steffen_n@cde.state.co.us.

Data reported in this section will be used to update the statewide library directory.
