The DMV is providing an exciting  
program that helps Coloradans  
who do not normally have access  
to in-office driver license services  
by bringing the DMV to them! The  
DMV2GO program is part of the  
DMV's commitment to serve all  
Coloradans. The DMV is looking to  
serve populations for whom  
traveling to a DMV office is difficult  
and online services may not be an  
option.
