# Growing Together

The High Mountain Hay Fever Children's Health Fund, West Custer County Library and the CCKC are teaming up to create a year long, caregiver-kiddo interactive learning program! We will have 7 sessions throughout the year focusing on various developmental activities for kiddos ages 0-5. **Come to one or come to all!**

## Session 1: Poetry

Kick off national poetry month with *Joyce*. She will teach how to build poetry into your everyday life through song, movement and finger plays!

**When: Wednesday 9:30-10:00**  
**April 5-May 10**

**Where: Library Community Room**  
**Who: Caregivers and kiddos ages 0-5**
