

WEST CUSTER COUNTY FRIENDS OF THE LIBRARY

HOW DO THE FRIENDS HELP OUR PUBLIC LIBRARY?

The Friends of the Library is a volunteer, fund-raising organization dedicated to supplementing basic services at our public Library. These services include the purchasing of books, DVDs, and magazines. The funds also provide for the library courier services, computer equipment, software and programs for all ages. To assist in raising funds, the Friends of the Library hosts two craft fairs each year, with special items crafted by our local and talented artisans. Each artisan donates 23% of their sales directly to the Library Friends.
